

# Terms and Conditions

We make all reasonable efforts to ensure a comfortable, clean, and safe environment for you. As such, you may be provided the opportunity of using our flotation tank. Please read over the following information and sign your name and date at the bottom of the form to indicate your agreement and adherence with our policies and procedures.

1. I will NOT use the flotation tank:

- a. With oils, creams or jewellery on my body;
- b. If I have any communicable or infectious disease or illness, skin disorder, large cuts, open sores or wounds;
- c. If I am under the influence of alcohol or drugs;
- d. If I am epileptic;
- e. If I am pregnant and have NOT consulted my health-care provider;
- f. If I suffer or have suffered from any claustrophobic or small or enclosed space anxiety-provoking disorders;
- g. If I suffer from diabetes, unless, in the opinion of my physician, my diabetes is under medical control so that I am in sufficient safety to use the flotation tank;
- h. If I suffer or have suffered from chronic heart disease, unless, in the opinion of my physician, my chronic heart disease is under medical control so that I am in sufficient safety to use the floatation tank.

2. I further understand that the floatation tank uses Epsom salt and hydrogen peroxide cleaning products which will be in the water and that some people may experience skin allergies or reactions to such chemicals.

3. I also hereby agree and understand that I shall have consulted with my own health care provider prior to using the flotation tank if I am currently taking any medication or under a physician's care for any reason.

4. Upon using this float tank, I absolve Chenae Carey Coaching, and employees/agents from any and all liability in connection with the use thereof whether such loss or damage be direct or indirect.

5. I further agree to take full responsibility for my thoughts and actions while in the flotation tank and the waiver of liability and all agreements made herein shall apply to each use I make of the flotation tank.
